Re: *United States v. Carlos Martinez*, Case No. 15-cr-252  
(Def. No. 33) (PKC)

Dear Judge Chen:

I represent Defendant Carlos Martinez in the above-captioned case, pending before Your Honor. Through this letter, Mr. Martinez moves for an Order allowing him to file his [REDACTED] letter motion seeking a modification of his conditions of release (attached hereto as Exhibit 1), and Exhibits A and B to Mr. Martinez's motion seeking a modification of the conditions of his release, under seal. The reasons for Mr. Martinez's request are as follows.

Mr. Martinez recognizes that there is a presumptive right in American courts of public access to judicial records. *See, e.g., Nixon v. Warner Comms., Inc.*, 435 U.S. 589, 597 (1978). Access, however, is not automatic. The decision of whether to grant this access is "best left to the sound discretion of the trial court." *United States v. E. Air Lines, Inc.*, 923 F.2d 241, 245 (2d Cir. 1991) (citing *Nixon*, 435 U.S. at 599). This discretion is to be "exercised in light of the relevant facts and circumstances of the particular case." *Id.*

Mr. Martinez's letter motion attached hereto as Exhibit 1 seeks the Court's leave to travel [REDACTED] from May 17, 2021 through May 24, 2021. The purpose of this travel is to [REDACTED]

The Honorable Pamela K. Chen

The reasons for Mr. Martinez's request are [REDACTED]

[REDACTED] Additionally, Mr. Martinez respectfully requests the Court's leave to file his motion under seal, [REDACTED]

[REDACTED] Given the basis of Mr. Martinez's request, it would be a proper use of the Court's discretion to deny public access to this [REDACTED]

In the event the Court denies this request, Mr. Martinez respectfully requests the Court to return this letter to undersigned counsel so that it is not publicly filed or, in the alternative, allow Mr. Martinez the opportunity to file a redacted version of his letter motion, attached hereto as Exhibit 1, on the public record.

On May 7, 2021, Mr. Martinez sought the United States' position on the relief requested herein. Assistant United States Attorney Kristin Mace represented that the United States does not object to the relief requested herein.

On May 7, 2021, undersigned counsel sought the United States Pretrial Services Office and the United States Probation Office's positions on the relief requested herein. United States Pretrial Services Officer Ramel Moore represented that his office does not object to the relief requested herein. At the time of the filing of this motion, Mr. Martinez was unable to obtain the position of the United States Probation Office.

This is Mr. Martinez's [REDACTED] application to file a motion under seal in the above-captioned matter.

Wherefore, for the reasons cited herein, it is respectfully requested that the Court grant this application and issue an Order allowing Mr. Martinez to file his [REDACTED] letter motion seeking a modification of the conditions of his release, attached hereto as Exhibit 1, and Exhibits A and B to Mr. Martinez's motion seeking a modification of the conditions of his release, under seal.

Respectfully submitted,
